

KIDS!

First Baptist Church Newton Centre
www.fbcnewton.org

Welcome! We are glad you are here. Children are an important part of our congregation and we love kids!

If you have brought children with you, first and foremost we want to make sure you and your children are comfortable. You are welcome to include them in the service or we have age appropriate children's programs during our 10 am service available each week.

Our Kids Team includes professional childcare workers and teachers. We encourage you to get to know them and introduce yourselves. CORI checks are required for all adults who work with our kids. We also strive to keep the building nut-free. Please let us know how we might accommodate your specific needs.

What to expect

Infants through Kindergarten

Professional childcare is provided from 9:45 am in the Fogg building (adjacent to Beacon Street), with separate rooms for infants and pre-K. Children engage with stories from the Bible and age appropriate arts and crafts in addition to free play.

Grades K-5

After about 15 minutes in worship, children are invited to join our Kids Team to enjoy a time of connecting, creating, and interacting with stories from the Bible. *The same lectionary readings are followed in collective worship and in Kid's Time. This allows parents and children to be on the same page and enjoy the spiritual journey together!*

Parents of Kids Lunch: Second Sunday of Every Month

An opportunity for parents to connect with one another, exchange wisdom, and build relationships. Parallel professionally staffed childcare is available during this time. You can feel free to bring your children for lunch. Come and connect with your fellow parents.
